3 Types Of Circles

Circle 1 - Costs 0.1 Eth to enter

Circle 2 - Costs 0.5 Eth To enter

Circle 3 - Costs 1 eth to Enter

A 5% fee is deducted on entry and paid to 2 different admin eth addresses

When The Circle is full , the circle splits, Position 1 (water) gets paid 50% of the remaining eth after the admin fee has been deducted

The Circle Splits into 2 with 7 people in each (no extra charge for the 7 and 7 to be added to new circles)

New people are added to the next available position in their sponsors circle.. The last person gets added to position 15

The outer positions are known as FIRE (position 8 to 15)

The next inner positions are known as WIND or AIR (position 4-7)

The next inner positions are known as EARTH (positions 2 and 3)

The final position is WATER (position 1)

When position 1 gets paid, they are charged Eth to re-enter into a position. The new position is the next available slot in their sponsors circle,.

Only position 1 earns
